JUDGE SCORES GRAND JURORS

Refused to Obey Instructions of the Court.

DID NOT INDICT SALOON MEN

Declined to Return True Bills Against Violators of Excise Law in New Jersey—Governor May Send Troops to Atlantic City.

Atlantic City, N. J., Aug. 28.—The action of Governor Fort in issuing a proclamation to the people of New Jersey threatening to send troops into this famous resort to enforce the state liquor laws unless the people of Atlantic City observe the law caused a sensation among the residents and the thousands of summer visitors. Close on the heels of the governor's proclamation another sensation was sprung at Mays Landing, the county seat of Atlantic county, when the grand jury absolutely refused to obey the instructions of the court to return indictments against excise violators.

Supreme Court Justice W. Trenchard, who had been requested by Governor Fort to sit with the county judge, was so incensed at the action of the grand jury that he instantly discharged it with a severe reprimand.

What the result of the governor's proclamation will be remains to be seen.

Sheriff Smith E. Johnson of Atlantic City, Mayor F. P. Stoy of Atlantic City and County Prosecutor Goldenburg refused to discuss the situation.

The break between the county court and the grand jury came in a sensational manner, and is receiving more attention than the proclamation of the governor. The controversy between the court and the jury started a week ago. Prior to that the state excise commission spent several days here investigating the excise question. At the hearings of the commission, Mayor Stoy, Sheriff Johnson and others practically told the investigators that they would not enforce the excise laws, because the sentiment of the people was against them. It was also brought out that the grand juries of the county refused to bring in indictments for the same reason. The evidence was so startling that it was immediately laid before the governor, who requested Justice Trenchard to sit with Judge Higbee in Atlantic county and take charge of the matter.

Judge Addresses Grand Jury.

"I understand that all cases have been presented to you. I have sent for you in order that the clerk may take the indictments," said Justice Trenchard to the members of the grand jury when they came into court.

When asked by the clerk if the jury had any indictments to present, Joseph W. Salus, the foreman of the jury, said that it had not at this time, and that it had not considered all the cases presented.

Justice Trenchard then said that the court would sit until indictments were found in the excise cases and the jury retired. This caused a mild sensation, as it indicated that the court intended to bring matters to a head.

The jurors returned later and presented three indictments, two against an alleged gambling house, and one against a man who is charged with selling obscene postal cards. Justice Trenchard read the bills of indictment, threw them on his desk and said:

"I notice that you have not presented any indictments for the illegal sale of liquor on Sunday. The assistant attorney general of the state and the prosecutor of the county have informed the court that they have placed before the grand jury evidence which justifies indictments in such cases. As no indictments have been found this seems to be an indication that this grand jury has failed in the performance of its duty. The court is forced to say that considering the instructions of the court, the state of the law and the evidence presented, you grand jurors have failed in the performance of your duty and have violated your oaths to the state of New Jersey. You are discharged for the term."

Took Exception to Court's Remarks.

Foreman Salus instantly arose and took exception to the remarks of the court. Without the least display of excitement he said:

"As grand jurors we feel our great responsibility. We are willing to stand before God and say that we feel that we have performed our duty and have not violated our oaths. We represent the will of the people of Atlantic county. We feel that we are supreme; and, without affront, we feel that no person, however clothed with power or office, has a right to rebuke us in this manner. We, as representatives of Atlantic county, representing $5,000,000 worth of property, do not intend that the deliberations of this jury shall be made political capital. We want nothing concealed. We want a spade called a spade. We grand jurors tried with all our might to have presented before us gambling evidence which the prosecutor of the county caused to be published in the newspapers, but we did not get it. At every turn we were throttled as grand jurors."

Continuing, he said that they had been told that unless they brought in dictments in excise cases no evidence of gambling would be presented to them.

Negro Shoots Whites.

New Orleans, Aug. 28.—Gus Bullock, a crazed negro, attempted a wholesale slaughter of white people at Mount Olive, Miss., and as a result two whites and the negro are dead, one man is seriously wounded and a number of others are suffering from the buckshot of the negro's shotgun. Tom Gatlin and J. A. Joiner are dead as a result of the negro's volleys and John W. McNail's arm was blown off.

YOUNG ROOSEVELT SAVES THREE LIVES

President's Son Stops a Runaway Team of Horses.

Oyster Bay, N. Y., Aug. 28.—It was stated here that Kermit Roosevelt, second son of the president, stopped a pair of horses after a wild chase on horseback along the shore road into

KERMIT ROOSEVELT.

Bayville, and probably saved the lives of Mrs. Frank Hilton of New York and her two small sons.

Kermit seized the horses' reins while the animals were galloping at full speed and brought them to a standstill. Mrs. Hilton and her two children were in the carriage. They were unhurt. Mr. Hilton was thrown out when the horses took fright, but was not injured.

EXTRAORDINARY STORY.

Young Frenchman Tried to Blackmail President Roosevelt.

Bordeaux, Aug. 28.—An extraordinary story was told at the courtmartial of a member of the military ambulance corps, Camille Marquet, who was charged with attempting to blackmail President Roosevelt.

According to the evidence before the court, Marquet wrote to the president on Jan. 9, demanding on behalf of "my society," without other specification, $2,000, "on account of services rendered during the presidential election," and promising further "immense help."

Receiving no reply to this demand, Marquet wrote again on March 9, threatening a scandal, "which will cast dishonor upon the whole family unless the money is forthcoming at a fixed date."

In conclusion the writer of the letter recommended the greatest discretion, adding:

"The highest heads are no longer safe on their shoulders; look at Portugal."

The president handed the letters to the French consul general, who communicated with the French police. Marquet was brought up for courtmartial, but the court in consideration of the good character of the youth, sentenced him to six days' imprisonment, giving him the benefit of the first offenders' law.

FLOOD WATERS ARE RECEDING

Situation at Augusta, Ga., Is Slowly Improving.

PROPERTY LOSS VERY HEAVY

Estimated at Between Seven Hundred and Fifty Thousand and a Million Dollars—From Ten to Fifteen Persons Perished, Most of Them Being Negroes.

Augusta, Ga., Aug. 28.—Flood waters at Augusta have begun receding. They reached the height of forty feet, probably as high as the flood of 1888.

Rain has ceased in the upper valley and there is no danger of further losses. The loss, approximating $750,000 to $1,000,000, consists of damage to stocks of goods and private property, losses on the streets, destruction of the wagon and railroad bridges across the Savannah river and breaks in the canal banks. There are dependent on the canal for power, eight large and small cotton mills. Thousands of mill operatives will be idle for three to four months.

While the flood was at its height five fires broke out, entailing a considerable loss of property. The Augusta Railway and Electric company cannot run their cars for three days. No power plant is in operation, the telephone lines are not doing business and the railroads are accepting no passengers. The water service is crippled but intact. The gas company is impaired but not shut down. There have been ten to fifteen drownings, mostly negro laborers. Whether Augusta will be able to care for the situation among the poor and unemployed will not be known until the water further recedes and opportunity is given for inspection.

Reports of missing men, even of missing families, are being received.

Damage in South Carolina.

Spartanburg, S. C., Aug. 28.—The damage in Spartanburg county from high water has fallen heaviest on the railroads, the Southern and the Charleston and Western Carolina, whose lines have been cut in every direction. Twenty-five bridges in the county have been washed away and all bottom land crops are completely wiped out. The loss in the county will reach $500,000. No loss of life has been reported.

EARLE IS OUT ON BAIL.

Artist Immediately Begins Search for His Wife.

Goshen, N. Y., Aug. 28.—After spending two sleepless nights in the jail here on a charge of beating his wife, Ferdinand Pinney Earle, he of "affinity" and "soul mate" fame, was released on furnishing $2,000 bail. Immediately upon leaving the jail, he began a search for his wife, Mrs. Julia Kuttner Earle, who he married after inducing his first wife to go to France and get a divorce from him.

Earle was surrounded by newspaper correspondents the moment he stepped from the jail, but he stopped only long enough to say:

"I am going to find my wife, no matter where she is. I know that if I can talk with her for ten minutes she will forgive me and everything will be all right again. This whole trouble has been twisted and I have been misrepresented. I must hurry to find my wife."

WILL CONTEST PETITION.

Suspended Firm Intends to Fight Bankruptcy Proceedings.

New York, Aug. 28.—Announcement of the intention of the firm of A. O. Brown & Co. to contest the petition in bankruptcy filed against the firm in the United States court by Frank V. Strauss and others, was made by Edward F. Buchanan, one of the members of the suspended brokerage house.

"Upon examination of our books," said Mr. Buchanan, "I find that on Tuesday at noon we had ready assets considerably in excess of our liabilities. Had it not been for the losses we incurred by the operations of the firms who took it upon themselves to cover our commitments in the open market, we would have been all right. We expect to contest the bankruptcy proceedings begun against us and to take legal steps to protest vigorously against the manner in which our business was taken out of our hands Tuesday and our facilities for fulfilling our contracts destroyed."

Bad Fire at Lane, Ida.

Spokane, Wash., Aug. 28.—Fire at Lane, Ida., did damage estimated at $100,000.

BRYAN REPLIES TO JUDGE TAFT

Speaks on Subject of Guaranty of Bank Deposits.

Topeka, Kan., Aug. 28.—Before an audience which filled the Auditorium to overflowing, W. J. Bryan, Democratic candidate for president, spoke on the subject of guaranty of bank deposits. Previously he had delivered three other addresses, two from the veranda of the hotel and the third at Garfield park, where he attended a picnic by the Knights of Pythias, his latter theme being "Fraternity."

When the Democratic candidate and his party arrived here they were at once take in hand by a reception committee composed of leading Democrats of the city and state, and conducted to the hotel in automobiles. A great crowd greeted Mr. Bryan at the station and at the hotel.

As announced by him before his departure from Kansas City, Mr. Bryan, in view of the action of the Kansas Republican state convention, which endorsed the guaranty of deposit proposition, made some remarks supplementary to his prepared speech on that subpect. He took up the advantages of the guaranty system and then answered the objections made to it by Mr. Taft and others. He began by asking why the depositor should be left unsecured when the national government demanded security of any bank with which it deposited money. He pointed out that the choice was between the postal savings bank and the guaranty bank, and accused Mr. Taft of favoring an unnecessary extension of the sphere of government in advocating the postal savings bank instead of the guaranty bank. Mr. Bryan declared that he preferred the guaranty bank proposition, which would allow the banks to attend to the banking business and yet compel them to give their depositors necessary security.

COLONEL VILAS IS DEAD.

Noted Wisconsin Man Passes Away at His Home in Madison.

Madison, Wis., Aug. 28.—Colonel William F. Vilas is dead following five weeks of illness. When Dr. Phillip Fox made his morning call he found him unusually cheerful and bright and believed he showed signs of remarkable improvement.

Shortly after the doctor left, while the nurses were administering a bath to the patient, they noticed that he weakened very quickly and an attempt was made to reach the doctor, but Colonel Vilas died before he could be reached. Dr. Fox believes that the immediate cause of death was a second stroke of paralysis.

William F. Vilas was sixty-eight years old. For the last few years he has been living in retirement. He has, indeed, been little in the public eye since his term as United States senator came to an end in 1897. He was elected for a six years' term in 1891, following distinguished service in the first Cleveland cabinet, where he served as postmaster general and secretary of the interior.

Fire at the Canadian Soo.

Sault Ste. Marie, Mich., Aug. 28.—Fire at the Canadian Soo destroyed 2,500,000 feet of lumber in the yards of the Lake Superior corporation. The lumber was owned by the Saginaw Lumber company and was valued at $75,000.

FROM HOTEL GUESTS.

Judge Taft, Mrs. Taft and Charles Taft Receive Loving Cups.

Hot Springs, Va., Aug. 28.—The 350 guests of the Homestead hotel presented Judge Taft, Mrs. Taft and Master Charles Taft each with a silver loving cup as a formal farewell expression of their regard. The big hotel family gathered in the ballroom, where for an hour Burr McIntosh lectured and showed incidentally a half hundred views of Mr. Taft in his various occupations and pastimes taken during his stay of nearly two months in this mountain resort.

Speech-making of a lighter vein, interspersed with music and followed by a reception wherein the candidate and his family shook the hands of every guest, constituted an evening of good fellowship and animation. Judge Horace H. Lurton of Tennessee, a long time personal friend of Judge Taft, presided, and opened the presentation exercises with an expression of the personal interest which has been aroused in the candidate and his family by the daily friendly intercourse in the hotel. Judge Taft and Colonel John C. McAnerney were escorted to the front while "Dixie" was played and the colonel, in a most happy vein, presented the cup to the candidate, and Mr. Taft responded.

Mrs. Taft was next brought forward and received her cup at the hands of Mrs. Luke P. Blackburn. An even dozen little girls in white surrounded Master Charles Taft, and made him the blushing recipient of a miniature loving cup.

ASTRONOMICAL EVENTS.

Sun sets 6:35, rises 5:20; moon sets 7:51 p. m.; moon's age, 2 days.

A SNOW storm in Baltimore in August is chronicled.

DO NOT under any circumstances get the dates confused, next Tuesday, Sept. 1st, it will be legal to kill prairie chickens and ducks. A mistake in dates is liable to be expensive and there are many who are apt to be forgetful at this time of the year.

THIS is the first time in the history of the Sixth congressional district that a republican candidate for congress has been nominated without opposition, and the honor falls to Hon. C. A. Lindbergh, of Little Falls, who will receive the unaminous renomination.

ELMER ADAMS, of Fergus Falls, is a candidate for re-election to the legislature from Otter Tail county. The county should feel it an honor to be able to secure a man of Mr. Adam's ability who is willing to spend his time looking after their interests and his election should follow, which it undoubtedly will.

IF ONE stops to think of it the proposition of electing a republican governor this fall should be a cinch, and will be if proper attention is paid to organization and detail work during the campaign. To illustrate, there are 2,750 voting precincts in the state and an average of four more votes in each one of them would have elected the republican candidate for governor four years ago. With a united front there should be no trouble in getting those "four votes more" in each precinct this year, there are more than that number who did not go to the polls last year.

JOHN A. JOHNSON, democratic candidate for governor, expressed in the following words his opinion of a third term, which was of course before his nomination:

"I have stated my position several times before and the situation has not changed. Having declared publicly my opposition to a third term for administrative elective offices, I could not possibly accept a nomination now without stultifying myself and without violating my every sense of political propriety."

But he accepted the nomination for a third term after making the above assertion, and according to himself he has violated his every since of political propriety, the stultification act included.

WHEN Johnson was running for governor in 1904 he carefully abstained from any mention of the democratic candidate for president, Alton B. Parker, although both were running for office on the same ticket. Johnson wanted republican votes then in order to be elected governor—he had to have them—and he did not want to antagonize republicans by opposing the republican candidate for the presidency. He is between the devil and the deep blue sea this year for the presidential situation is changed and it will be absolutely necessary for him to shout Bryan if he expects the democratic support, which will cut him off from the republican votes that are necessary for him to receive if he graces the state house another term. However a candidate who is successful in capturing the prohibition and saloon vote at the same time will bear watching.

THE democrats of Morrison county got caught at it. In order to escape a vigorous campaign, which they seem exceedingly anxious to avoid this year, they framed up a plan whereby they would keep democratic opposition out of the field if in return the republican office holders would see that they were not made to put up a fight for the retention of their places. For a time it looked as though the plan had been made to stick but at the proper time both party tickets for county offices were practically filled. The democrats were so desperate that they even threatened democratic opposition to the legislative and congressional tickets in this district if they were not let alone and allowed to drift back into office without a murmur from the public. Their efforts to get a democratic legislative ticket into the field failed, but the democratic candidate for congress filed, against his own judgment. In the meantime the fight will be carried on between the two political parties in Morrison county and the democrats will not be able to lay back and laugh as they expected to.

COUNCIL WRESTLES WITH MANY BIDS

Seventy-two Bids Presented for Various Machines and Materials to be Used

HELD TWO SESSIONS THURSDAY

Afternoon Devoted to Opening Bids and Evening to Listening to Bidders

The city council met Thursday to open and consider the bids for various material and machinery which may be needed in the water and light plant proposed to be erected. The bids covered everything from jute at six and a quarter cents per pound and lead in carload lots, to complete gas, steam and oil engine outfits at over $50,000. Many of the bidders submitted several different bids so that a compilation was necessary in order to reduce them to a "common denominator," so to speak. This is being done today by the engineer.

The evening session was devoted to hearing any explanations the bidders had to make and listening to each one tell why his bid was the best. The council then adjourned to meet this evening at 7 o'clock.

DEATH OF MISS ROBERTS

Miss Sarah Roberts Passed Away Thursday After an Illness of Several Years

Miss Sarah Roberts, daughter of Mr. and Mrs. J. W. Roberts, died Thursday afternoon after an illness of several years of tuberculosis of the lungs. The funeral will be held at the house Saturday afternoon at 2 o'clock, followed by interment in Evergreen cemetery. The funeral services will be conducted by Rev. Dr. Moorehouse.

The deceased was 29 years of age and was born in Polk county, Minn., but had resided most of her life either in Brainerd or in the country west of here. She leaves, besides her parents three brothers, Oscar, Charles and Henry Roberts, all of whom reside in Brainerd.

Well Received

The candidacy of C. W. Bouck for the legislature is being very well received in the agricultural portion of the district. One explanation for this lies in the fact that he is a farmer,

having operated two farms in this vicinity for many years.

Mr. Bouck is a close student of the affairs of county, state and nation and if nominated and elected will show a marked ability in furthering the interests of this district especially in the farming sections.—Royalton Banner.

Five Strong Reasons

Why painting in the fall is best

1. In the fall, the surface is thoroughly dry. During the spring a surface which needs repainting is sure to contain moisture and dampness or frost, and it cannot be successfully painted until it has thoroughly dried out.

2. When the wood is dry, it absorbs more of the paint; the paint penetrates deeper into the wood, therefore gets a firmer hold on it, giving the paint coating greater tenacity for holding qualities.

3. Paint cannot be as successfully applied in damp, cloudy or unsettled weather as in warm, sunny weather. In the fall the weather is more settled and uniform and is warmer, therefore it is an excellent time for painting.

4. A house needs its protective coat of paint more in the winter months than at any other time. A house in need of painting should never be allowed to go over the winter without this protection.

5. It is easier to keep the winter's moisture and dampness out by applying a coat of paint in the fall, when the surface is dry, than it is to get moisture or dampness out of the wood if you want to apply a coat of paint in the spring.

"Coming Thro' The Rye"

Knowledge seems to be general all over the city that we are to have an unusual attraction at the formal opening of the season at the opera house Sept. 2, when the big musical comedy success "Coming Thro' The Rye" will be seen for the first time here. It will be given by a great company of 75 people, of whom a dozen or more are widely known comedians and vocalists, and with a chorus and ballet of about 60, made up practically of the very best chorus girls and the most graceful dancers that have ever been assembled in one organization. "Coming Thro' The Rye" is one of the distinguished successes of the times and since there is no doubt whatever that we are to have the great original production in every detail it may be taken for granted that all the people who can get within the four walls of the theatre will witness the forthcoming performances. Seats should be secured as far in advance as possible. The sale opens Sept. 2 at 10 o'clock at Dunn's drug store.

The Rivals

Joseph Jefferson Sr. has passed from our midst and now his son, William W. is making a bid for the praise which was so justly bestowed upon the elder Mr. Jefferson. Through the sudden illness of the father "Willie" Jefferson, several years ago, was compelled to assume the role of "Bob Acres" in "The Rivals" at very short notice. The press, at the time, spoke very highly of his performance, comparing his work most favorably with that of his father. Since then, he has played the part almost continuously. His brother Joseph will be seen to excellent advantage as "Sir Lucius O'Trigger," a part which he played in support of the father. A company of distinction will make this a dependable entertainment when it comes to the opera house Sept. 3.

***

"At The Unique"

The motion picture program at this theatre was one of the best ever shown. "The Poor Officer," was a stongly dramatic story of army life. "Stricken Blind," was a pathetic tale of love, jealousy and witchcraft, while "The Mishaps of the New York-Paris Auto Race," a film 1200 feet long was a serio-comic portrayals of what might have happened on the race, a la Jules Verne. It was at once startling and amusing. The illustrated song "The Man in Overalls," was sung by Miss Kathleen Graham.

***

Ku Klux Klan Drama in Sight

Enjoying the prestige of four seasons of uninterrupted success, "The Clansman" will pay its first visit to this city in the near future at the opera house Sept. 8. This is an attraction that has been long awaited, and in point of popularity and interest outranks all the other traveling companies of the Presidential year. The play is especialy notable for its vivid picture of the Ku Klux Klan, an organization of Southerners that restored white supremacy to the South after the Civil War.

Bijou

Notwithstanding the numerous attractions now playing in the city, this popular place of amusement is attracting large crowds nightly and it well deserves the large patronage as its attractions are of the high class order, refined and entertaining. A splendid bill was rendered last night and will be repeated tonight and Saturday night.

WILL TESTIFY IN HAINS CASE

Name of Mysterious Witness Finally Is Revealed.

SAYS THAT ANNIS BOASTED

Declares He Heard Victim of Tragedy Brag of His Conquest of the Wife of Captain Hains—Colored Maids Will Go on the Witness Stand.

New York, Aug. 28.—The name of the hitherto mysterious witness who had represented himself as ready to testify to having heard William E. Annis boast of his conquest of Mrs. Peter C. Hains, wife of Captain Hains, was revealed after a conference between General Hains and the lawyers retained to defend his two sons, Captain Peter C. Hains, Jr., and Thornton Jenkins Hains, now awaiting trial on a charge of murdering Annis on Aug. 15. He is C. A. Curtis of 21 Bank street, Princeton, N. J., and 307 B street, N. E., Washington, D. C. The general made public the following letter written to him by Mr. Curtis on Aug. 18, from Princeton:

"Allow me to offer to you and to your family my deepest sympathy in all your troubles and to offer any assistance in my power. Apropos of this letter. I beg to say that I have heard Mr. Annis making boasts as to his relations with your son's wife on two occasions in clubs in New York and once on a yacht near New York. Kindly keep all I have written from all except your attorneys and family, as I dislike notoriety. If, however, it becomes necessary, I will, of course testify to all the pertinent facts in your son's favor. I hope, however, that this will not be necessary."

The general also made public the fact that the two colored maids whom Mrs. Hains had had in her employ during her husband's absence in the Philippines would be called as witnesses for the defense.

CAPTURED BY OHIO MEN.

All the Concluding Contests in Annual Army Tournament.

Camp Perry, O., Aug. 28.—Sergeant C. E. Orr of Ohio, who won the national pistol match, captured the honors of the concluding event in the annual tournament of the United States army. These matches were held under the direction of the National Board for the Promotion of Rifle Practice, and under the patronage of the United States government.

The national individual rifle contest was won by Lieutenant A. Dale Rothrock of Ohio; all of the concluding contests thereby being captured by Ohio men.

In the rifle shoot, the special prizes were given to Ensign J. F. Dortch of the navy, for the best score in the skirmish run; Lieutenant M. P. Stiles of Maine, for his score at slow fire, and Sergeant J. O. Stemple of Ohio for his rapid fire work.

In the pistol contest, the honors for slow fire were taken by Captain F. E Resche of the Third Minnesota; rapid fire by Midshipman Denny of the navy, and the timed fire by Midshipman Lee, also of the navy.

CHADWICK IS BANKRUPT.

Last Official Chapter in Great Swindle Is Recorded.

Cleveland, O., Aug. 28.—The writing of the last official chapter in the records of the monumental swindles of the late Mrs. Cassie L. Chadwick was begun when Dr. Leroy S. Chadwick, husband of the late wizard of finance, filed a petition in bankruptcy in the United States district court here. With assets of $75, except for medical books and office fixtures, valued at $1,700, which he claims are exempt, Dr. Chadwick hopes to wipe out obligations aggregating over $600,000.

The action of Dr. Chadwick is considered to be only formal in effect for the purpose of clearing himself from any connection with the various notes his wife gave and which he had endorsed. Although Dr. Chadwick was jointly indicted upon one of the transactions with his wife, he never was brought to trial and the case was nolled. Mrs. Chadwick died in the Ohio penitentiary a few months ago.

Margaret Daly Vokes Dead.

Boston, Aug. 28.—Margaret Daly Vokes, the well known comedienne, died at her summer home in Lynnfield after a long sickness of tuberculosis. She was the wife of Harry Vokes of the Ward & Vokes company, and was one of the famous Daly family, which has long been prominent in theatrical affairs.

The Cure.

There was a suburban lady whose house one summer was quite overrun with moths. A tramp told her that in return for a square meal he would give her an infallible moth cure. She set a square meal before the tramp. He devoured it, then said:

"All ye need to do, ma'am, is to hang yer moth filled clothes and carpets and things on a line and beat 'em with a stick. Goodby to yer moths then."

"Will that kill them?" asked the lady.

"Yes, if ye hit 'em," said the tramp.

PAY-AS-YOU-ENTER CAFE.

Kansas City Restaurant Man Tries New Business Scheme.

It was only a short time ago that the pay-as-you-enter cars were placed in service in Kansas City. Whether that started the idea for the pay-as-you-enter restaurant will not be known, but at any rate an enterprising north end restaurant man in Kansas City has painted the following sign on the wide board which partly barricades the door to his place of business: "Please Pay as You Enter. Big Meal 10 Cents."

The new plan did not need the proprietor's word as to its success. The seven long tables in the room were crowded, and the three waiters were busy.

"It certainly works fine," said the proprietor. "Of course it isn't altogether the novelty, for we always did have a good trade." And he fingered the cash register with pride. "You see, it's this way. A lot of our north end friends used to slip by without paying, though the majority were honest enough. Then the waiters used to 'knock down,' and sometimes the cashier forgot to ring up all the cash."

The system, indeed, looked practicable. Beside the cash register were three rolls of tickets. The green ones were worth 5 cents, the red ones 10 cents and the yellow ones 15 cents. The yellow roll, however, was the largest of the three.

"It's all a ten cent trade," explained the proprietor. "Sometimes a man comes in who has 15 cents, and then we give him a fifteen cent ticket. The tickets are taken up by the waiters and deposited with the cook, so you see the system is a sort of check and balance one."

Just then a man came in and deposited a dime and was handed a red ticket. "Heard about the new plan," he said as he looked at the ticket. "Thought I'd drop in and get a chicken dinner."

BACK AT SAGAMORE HILL.

Roosevelts Return From Trip to Jordanville, N. Y.

Oyster Bay, N. Y., Aug. 28.—President and Mrs. Roosevelt and their party have arrived at Sagamore Hill from Jordanville, N. Y., where the president spoke at the opening of the Jordanville public library, which was given to the people of the village by Douglas Robinson, Harriet D. Wolricke-Whitmore, his sister, and Mrs. Robinson, President Roosevelt's sister, in memory of Robinson's father and mother.

The president's party left South Columbia, near Jordanville, on a special train for Hoboken. At Hoboken, they boarded the president's yacht Sylph. The trip from there to Oyster Bay was rather unpleasant, owing to a light, cold rain, and the members of the party were compelled to remain in the yacht's cabin. Both the president and Mrs. Roosevelt were greatly pleased with their visit to Jordanville.

Immediately after he reached home, the president, with Acting Secretary Foster, disposed of a large amount of work which had accumulated during his absence.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. JUDGE SCORES GRAND JURORS

Refused to Obey Instructions of the Court.

DID NOT INDICT SALOON MEN

Declined to Return True Bills Against Violators of Excise Law in New Jersey—Governor May Send Troops to Atlantic City.

Atlantic City, N. J., Aug. 28.—The action of Governor Fort in issuing a proclamation to the people of New Jersey threatening to send troops into this famous resort to enforce the state liquor laws unless the people of Atlantic City observe the law caused a sensation among the residents and the thousands of summer visitors. Close on the heels of the governor's proclamation another sensation was sprung at Mays Landing, the county seat of Atlantic county, when the grand jury absolutely refused to obey the instructions of the court to return indictments against excise violators.

Supreme Court Justice W. Trenchard, who had been requested by Governor Fort to sit with the county judge, was so incensed at the action of the grand jury that he instantly discharged it with a severe reprimand.

What the result of the governor's proclamation will be remains to be seen.

Sheriff Smith E. Johnson of Atlantic City, Mayor F. P. Stoy of Atlantic City and County Prosecutor Goldenburg refused to discuss the situation.

The break between the county court and the grand jury came in a sensational manner, and is receiving more attention than the proclamation of the governor. The controversy between the court and the jury started a week ago. Prior to that the state excise commission spent several days here investigating the excise question. At the hearings of the commission, Mayor Stoy, Sheriff Johnson and others practically told the investigators that they would not enforce the excise laws, because the sentiment of the people was against them. It was also brought out that the grand juries of the county refused to bring in indictments for the same reason. The evidence was so startling that it was immediately laid before the governor, who requested Justice Trenchard to sit with Judge Higbee in Atlantic county and take charge of the matter.

Judge Addresses Grand Jury.

"I understand that all cases have been presented to you. I have sent for you in order that the clerk may take the indictments," said Justice Trenchard to the members of the grand jury when they came into court.

When asked by the clerk if the jury had any indictments to present, Joseph W. Salus, the foreman of the jury, said that it had not at this time, and that it had not considered all the cases presented.

Justice Trenchard then said that the court would sit until indictments were found in the excise cases and the jury retired. This caused a mild sensation, as it indicated that the court intended to bring matters to a head.

The jurors returned later and presented three indictments, two against an alleged gambling house, and one against a man who is charged with selling obscene postal cards. Justice Trenchard read the bills of indictment, threw them on his desk and said:

"I notice that you have not presented any indictments for the illegal sale of liquor on Sunday. The assistant attorney general of the state and the prosecutor of the county have informed the court that they have placed before the grand jury evidence which justifies indictments in such cases. As no indictments have been found this seems to be an indication that this grand jury has failed in the performance of its duty. The court is forced to say that considering the instructions of the court, the state of the law and the evidence presented, you grand jurors have failed in the performance of your duty and have violated your oaths to the state of New Jersey. You are discharged for the term."

Took Exception to Court's Remarks.

Foreman Salus instantly arose and took exception to the remarks of the court. Without the least display of excitement he said:

"As grand jurors we feel our great responsibility. We are willing to stand before God and say that we feel that we have performed our duty and have not violated our oaths. We represent the will of the people of Atlantic county. We feel that we are supreme; and, without affront, we feel that no person, however clothed with power or office, has a right to rebuke us in this manner. We, as representatives of Atlantic county, representing $5,000,000 worth of property, do not intend that the deliberations of this jury shall be made political capital. We want nothing concealed. We want a spade called a spade. We grand jurors tried with all our might to have presented before us gambling evidence which the prosecutor of the county caused to be published in the newspapers, but we did not get it. At every turn we were throttled as grand jurors."

Continuing, he said that they had been told that unless they brought indictments in excise cases no evidence of gambling would be presented to them.

Negro Shoots Whites.

New Orleans, Aug. 28.—Gus Bullock, a crazed negro, attempted a wholesale slaughter of white people at Mount Olive, Miss., and as a result two whites and the negro are dead, one man is seriously wounded and a number of others are suffering from the buckshot of the negro's shotgun. Tom Gatlin and J. A. Joiner are dead as a result of the negro's volleys and John W. McNail's arm was blown off.

YOUNG ROOSEVELT SAVES THREE LIVES

President's Son Stops a Runaway Team of Horses.

Oyster Bay, N. Y., Aug. 28.—It was stated here that Kermit Roosevelt, second son of the president, stopped a pair of horses after a wild chase on horseback along the shore road into

KERMIT ROOSEVELT.

Bayville, and probably saved the lives of Mrs. Frank Hilton of New York and her two small sons.

Kermit seized the horses' reins while the animals were galloping at full speed and brought them to a standstill. Mrs. Hilton and her two children were in the carriage. They were unhurt. Mr. Hilton was thrown out when the horses took fright, but was not injured.

EXTRAORDINARY STORY.

Young Frenchman Tried to Blackmail President Roosevelt.

Bordeaux, Aug. 28.—An extraordinary story was told at the courtmartial of a member of the military ambulance corps, Camille Marquet, who was charged with attempting to blackmail President Roosevelt.

According to the evidence before the court, Marquet wrote to the president on Jan. 9, demanding on behalf of "my society," without other specification, $2,000, "on account of services rendered during the presidential election," and promising further "immense help."

Receiving no reply to this demand, Marquet wrote again on March 9, threatening a scandal, "which will cast dishonor upon the whole family unless the money is forthcoming at a fixed date."

In conclusion the writer of the letter recommended the greatest discretion, adding:

"The highest heads are no longer safe on their shoulders; look at Portugal."

The president handed the letters to the French consul general, who communicated with the French police. Marquet was brought up for courtmartial, but the court in consideration of the good character of the youth, sentenced him to six days' imprisonment, giving him the benefit of the first offenders' law.

FLOOD WATERS ARE RECEDING

Situation at Augusta, Ga., Is Slowly Improving.

PROPERTY LOSS VERY HEAVY

Estimated at Between Seven Hundred and Fifty Thousand and a Million Dollars—From Ten to Fifteen Persons Perished, Most of Them Being Negroes.

Augusta, Ga., Aug. 28.—Flood waters at Augusta have begun receding. They reached the height of forty feet, probably as high as the flood of 1888.

Rain has ceased in the upper valley and there is no danger of further losses. The loss, approximating $750,000 to $1,000,000, consists of damage to stocks of goods and private property, losses on the streets, destruction of the wagon and railroad bridges across the Savannah river and breaks in the canal banks. There are dependent on the canal for power, eight large and small cotton mills. Thousands of mill operatives will be idle for three to four months.

While the flood was at its height five fires broke out, entailing a considerable loss of property. The Augusta Railway and Electric company cannot run their cars for three days. No power plant is in operation, the telephone lines are not doing business and the railroads are accepting no passengers. The water service is crippled but intact. The gas company is impaired but not shut down. There have been ten to fifteen drownings, mostly negro laborers. Whether Augusta will be able to care for the situation among the poor and unemployed will not be known until the water further recedes and opportunity is given for inspection.

Reports of missing men, even of missing families, are being received.

Damage in South Carolina.

Spartanburg, S. C., Aug. 28.—The damage in Spartanburg county from high water has fallen heaviest on the railroads, the Southern and the Charleston and Western Carolina, whose lines have been cut in every direction. Twenty-five bridges in the county have been washed away and all bottom land crops are completely wiped out. The loss in the county will reach $500,000. No loss of life has been reported.

EARLE IS OUT ON BAIL.

Artist Immediately Begins Search for His Wife.

Goshen, N. Y., Aug. 28.—After spending two sleepless nights in the jail here on a charge of beating his wife, Ferdinand Pinney Earle, he of "affinity" and "soul mate" fame, was released on furnishing $2,000 bail. Immediately upon leaving the jail, he began a search for his wife, Mrs. Julia Kuttner Earle, who he married after inducing his first wife to go to France and get a divorce from him.

Earle was surrounded by newspaper correspondents the moment he stepped from the jail, but he stopped only long enough to say:

"I am going to find my wife, no matter where she is. I know that if I can talk with her for ten minutes she will forgive me and everything will be all right again. This whole trouble has been twisted and I have been misrepresented. I must hurry to find my wife."

WILL CONTEST PETITION.

Suspended Firm Intends to Fight Bankruptcy Proceedings.

New York, Aug. 28.—Announcement of the intention of the firm of A. O. Brown & Co. to contest the petition in bankruptcy filed against the firm in the United States court by Frank V. Strauss and others, was made by Edward F. Buchanan, one of the members of the suspended brokerage house.

"Upon examination of our books," said Mr. Buchanan, "I find that on Tuesday at noon we had ready assets considerably in excess of our liabilities. Had it not been for the losses we incurred by the operations of the firms who took it upon themselves to cover our commitments in the open market, we would have been all right. We expect to contest the bankruptcy proceedings begun against us and to take legal steps to protest vigorously against the manner in which our business was taken out of our hands Tuesday and our facilities for fulfilling our contracts destroyed."

BRYAN REPLIES TO JUDGE TAFT

Speaks on Subject of Guaranty of Bank Deposits.

Topeka, Kan., Aug. 28.—Before an audience which filled the Auditorium to overflowing, W. J. Bryan, Democratic candidate for president, spoke on the subject of guaranty of bank deposits. Previously he had delivered three other addresses, two from the veranda of the hotel and the third at Garfield park, where he attended a picnic by the Knights of Pythias, his latter theme being "Fraternity."

When the Democratic candidate and his party arrived here they were at once take in hand by a reception committee composed of leading Democrats of the city and state, and conducted to the hotel in automobiles. A great crowd greeted Mr. Bryan at the station and at the hotel.

As announced by him before his departure from Kansas City, Mr. Bryan, in view of the action of the Kansas Republican state convention, which endorsed the guaranty of deposit proposition, made some remarks supplementary to his prepared speech on that subpect. He took up the advantages of the guaranty system and then answered the objections made to it by Mr. Taft and others. He began by asking why the depositor should be left unsecured when the national government demanded security of any bank with which it deposited money. He pointed out that the choice was between the postal savings bank and the guaranty bank, and accused Mr. Taft of favoring an unnecessary extension of the sphere of government in advocating the postal savings bank instead of the guaranty bank. Mr. Bryan declared that he preferred the guaranty bank proposition, which would allow the banks to attend to the banking business and yet compel them to give their depositors necessary security.

COLONEL VILAS IS DEAD.

Noted Wisconsin Man Passes Away at His Home in Madison.

Madison, Wis., Aug. 28.—Colonel William F. Vilas is dead following five weeks of illness. When Dr. Phillip Fox made his morning call he found him unusually cheerful and bright and believed he showed signs of remarkable improvement.

Shortly after the doctor left, while the nurses were administering a bath to the patient, they noticed that he weakened very quickly and an attempt was made to reach the doctor, but Colonel Vilas died before he could be reached. Dr. Fox believes that the immediate cause of death was a second stroke of paralysis.

William F. Vilas was sixty-eight years old. For the last few years he has been living in retirement. He has, indeed, been little in the public eye since his term as United States senator came to an end in 1897. He was elected for a six years' term in 1891, following distinguished service in the first Cleveland cabinet, where he served as postmaster general and secretary of the interior.

Fire at the Canadian Soo.

Sault Ste. Marie, Mich., Aug. 28.—Fire at the Canadian Soo destroyed 2,500,000 feet of lumber in the yards of the Lake Superior corporation. The lumber was owned by the Saginaw Lumber company and was valued at $75,000.

FROM HOTEL GUESTS.

Judge Taft, Mrs. Taft and Charles Taft Receive Loving Cups.

Hot Springs, Va., Aug. 28.—The 350 guests of the Homestead hotel presented Judge Taft, Mrs. Taft and Master Charles Taft each with a silver loving cup as a formal farewell expression of their regard. The big hotel family gathered in the ballroom, where for an hour Burr McIntosh lectured and showed incidentally a half hundred views of Mr. Taft in his various occupations and pastimes taken during his stay of nearly two months in this mountain resort.

Speech-making of a lighter vein, interspersed with music and followed by a reception wherein the candidate and his family shook the hands of every guest, constituted an evening of good fellowship and animation. Judge Horace H. Lurton of Tennessee, a long time personal friend of Judge Taft, presided, and opened the presentation exercises with an expression of the personal interest which has been aroused in the candidate and his family by the daily friendly intercourse in the hotel. Judge Taft and Colonel John C. McAnerney were escorted to the front while "Dixie" was played and the colonel, in a most happy vein, presented the cup to the candidate, and Mr. Taft responded.

Mrs. Taft was next brought forward and received her cup at the hands of Mrs. Luke P. Blackburn. An even dozen little girls in white surrounded Master Charles Taft, and made him the blushing recipient of a miniature loving cup.

ASTRONOMICAL EVENTS.

Sun sets 6:35, rises 5:20; moon sets 7:51 p. m.; moon's age, 2 days.

A SNOW storm in Baltimore in August is chronicled.

DO NOT under any circumstances get the dates confused, next Tuesday, Sept. 1st, it will be legal to kill prairie chickens and ducks. A mistake in dates is liable to be expensive and there are many who are apt to be forgetful at this time of the year.

THIS is the first time in the history of the Sixth congressional district that a republican candidate for congress has been nominated without opposition, and the honor falls to Hon. C. A. Lindbergh, of Little Falls, who will receive the unaminous renomination.

ELMER ADAMS, of Fergus Falls, is a candidate for re-election to the legislature from Otter Tail county. The county should feel it an honor to be able to secure a man of Mr. Adam's ability who is willing to spend his time looking after their interests and his election should follow, which it undoubtedly will.

IF ONE stops to think of it the proposition of electing a republican governor this fall should be a cinch, and will be if proper attention is paid to organization and detail work during the campaign. To illustrate, there are 2,750 voting precincts in the state and an average of four more votes in each one of them would have elected the republican candidate for governor four years ago. With a united front there should be no trouble in getting those "four votes more" in each precinct this year, there are more than that number who did not go to the polls last year.

JOHN A. JOHNSON, democratic candidate for governor, expressed in the following words his opinion of a third term, which was of course before his nomination:

"I have stated my position several times before and the situation has not changed. Having declared publicly my opposition to a third term for administrative elective offices, I could not possibly accept a nomination now without stultifying myself and without violating my every sense of political propriety."

But he accepted the nomination for a third term after making the above assertion, and according to himself he has violated his every since of political propriety, the stultification act included.

WHEN Johnson was running for governor in 1904 he carefully abstained from any mention of the democratic candidate for president, Alton B. Parker, although both were running for office on the same ticket. Johnson wanted republican votes then in order to be elected governor—he had to have them—and he did not want to antagonize republicans by opposing the republican candidate for the presidency. He is between the devil and the deep blue sea this year for the presidential situation is changed and it will be absolutely necessary for him to shout Bryan if he expects the democratic support, which will cut him off from the republican votes that are necessary for him to receive if he graces the state house another term. However a candidate who is successful in capturing the prohibition and saloon vote at the same time will bear watching.

THE democrats of Morrison county got caught at it. In order to escape a vigorous campaign, which they seem exceedingly anxious to avoid this year, they framed up a plan whereby they would keep democratic opposition out of the field if in return the republican office holders would see that they were not made to put up a fight for the retention of their places. For a time it looked as though the plan had been made to stick but at the proper time both party tickets for county offices were practically filled. The democrats were so desperate that they even threatened democratic opposition to the legislative and congressional tickets in this district if they were not let alone and allowed to drift back into office without a murmur from the public. Their efforts to get a democratic legislative ticket into the field failed, but the democratic candidate for congress filed, against his own judgment. In the meantime the fight will be carried on between the two political parties in Morrison county and the democrats will not be able to lay back and laugh as they expected to.

The Brainerd mill is now beginning to turn out flour, but the management will not put any on the local market until probably some time next week. They wish not only to have the mill in shape to turn out good flour, but to turn out the best flour possible before putting it on the local market.

John L. Berg and family, of Ft. Ripley, left the first of the week for their new home at South Park, Washington. Mr. Berg has lived in Crow Wing county for many years, having settled at Ft. Ripley twenty-seven years ago and since that time has held many positions of trust both in public and private life. His many friends in this city and elsewhere throughout the county will regret his departure although wishing him unbounded success in his new home.

Mr. and Mrs. Louis Hohman fooled the crowd in good shape Wednesday night. They gave out that they were going to take the midnight train for the west and were going to take Mr. and Mrs. Hohman, Sr., home and then drive to the depot. The crowd of rice throwers went to the depot, some of them going to the sanitarium in their efforts to find and torture them. Instead of coming to the depot, however, the newly married couple drove to I. U. White's cottage on Gull lake and are spending a quiet honey moon there.

COUNCIL WRESTLES WITH MANY BIDS

Seventy-two Bids Presented for Various Machines and Materials to be Used

HELD TWO SESSIONS THURSDAY

Afternoon Devoted to Opening Bids and Evening to Listening to Bidders

The city council met Thursday to open and consider the bids for various material and machinery which may be needed in the water and light plant proposed to be erected. The bids covered everything from jute at six and a quarter cents per pound and lead in carload lots, to complete gas, steam and oil engine outfits at over $50,000. Many of the bidders submitted several different bids so that a compilation was necessary in order to reduce them to a "common denominator," so to speak. This is being done today by the engineer.

The evening session was devoted to hearing any explanations the bidders had to make and listening to each one tell why his bid was the best. The council then adjourned to meet this evening at 7 o'clock.

Well Received

The candidacy of C. W. Bouck for the legislature is being very well received in the agricultural portion of the district. One explanation for this lies in the fact that he is a farmer,

having operated two farms in this vicinity for many years.

Mr. Bouck is a close student of the affairs of county, state and nation and if nominated and elected will show a marked ability in furthering the interests of this district especially in the farming sections.—Royalton Banner.

Five Strong Reasons

Why painting in the fall is best

1. In the fall, the surface is thoroughly dry. During the spring a surface which needs repainting is sure to contain moisture and dampness or frost, and it cannot be successfully painted until it has thoroughly dried out.

2. When the wood is dry, it absorbs more of the paint; the paint penetrates deeper into the wood, therefore gets a firmer hold on it, giving the paint coating greater tenacity for holding qualities.

3. Paint cannot be as successfully applied in damp, cloudy or unsettled weather as in warm, sunny weather. In the fall the weather is more settled and uniform and is warmer, therefore it is an excellent time for painting.

4. A house needs its protective coat of paint more in the winter months than at any other time. A house in need of painting should never be allowed to go over the winter without this protection.

5. It is easier to keep the winter's moisture and dampness out by applying a coat of paint in the fall, when the surface is dry, than it is to get moisture or dampness out of the wood if you want to apply a coat of paint in the spring.

Coming Attractions

Sept. 3—The Rivals.
Sept. 7—Ma's New Husband.
Sept. 8—The Clansman.

"Coming Thro' The Rye"

Knowledge seems to be general all over the city that we are to have an unusual attraction at the formal opening of the season at the opera house Sept. 2, when the big musical comedy success "Coming Thro' The Rye" will be seen for the first time here. It will be given by a great company of 75 people, of whom a dozen or more are widely known comedians and vocalists, and with a chorus and ballet of about 60, made up practically of the very best chorus girls and the most graceful dancers that have ever been assembled in one organization. "Coming Thro' The Rye" is one of the distinguished successes of the times and since there is no doubt whatever that we are to have the great original production in every detail it may be taken for granted that all the people who can get within the four walls of the theatre will witness the forthcoming performances. Seats should be secured as far in advance as possible. The sale opens Sept. 2 at 10 o'clock at Dunn's drug store.

***

The Rivals

Joseph Jefferson Sr. has passed from our midst and now his son, William W. is making a bid for the praise which was so justly bestowed upon the elder Mr. Jefferson. Through the sudden illness of the father "Willie" Jefferson, several years ago, was compelled to assume the role of "Bob Acres" in "The Rivals" at very short notice. The press, at the time, spoke very highly of his performance, comparing his work most favorably with that of his father. Since then, he has played the part almost continuously. His brother Joseph will be seen to excellent advantage as "Sir Lucius O'Trigger," a part which he played in support of the father. A company of distinction will make this a dependable entertainment when it comes to the opera house Sept. 3.

***

"At The Unique"

The motion picture program at this theatre was one of the best ever shown. "The Poor Officer," was a stongly dramatic story of army life. "Stricken Blind," was a pathetic tale of love, jealousy and witchcraft, while "The Mishaps of the New York-Paris Auto Race," a film 1200 feet long was a serio-comic portrayals of what might have happened on the race, a la Jules Verne. It was at once startling and amusing. The illustrated song "The Man in Overalls," was sung by Miss Kathleen Graham.

***

Ku Klux Klan Drama in Sight

Enjoying the prestige of four seasons of uninterrupted success, "The Clansman" will pay its first visit to this city in the near future at the opera house Sept. 8. This is an attraction that has been long awaited, and in point of popularity and interest outranks all the other traveling companies of the Presidential year. The play is especialy notable for its vivid picture of the Ku Klux Klan, an organization of Southerners that restored white supremacy to the South after the Civil War.

Notwithstanding the numerous attractions now playing in the city, this popular place of amusement is attracting large crowds nightly and it well deserves the large patronage as its attractions are of the high class order, refined and entertaining. WILL TESTIFY IN HAINS CASE

Name of Mysterious Witness Finally Is Revealed.

SAYS THAT ANNIS BOASTED

Declares He Heard Victim of Tragedy Brag of His Conquest of the Wife of Captain Hains—Colored Maids Will Go on the Witness Stand.

New York, Aug. 28.—The name of the hitherto mysterious witness who had represented himself as ready to testify to having heard William E. Annis boast of his conquest of Mrs. Peter C. Hains, wife of Captain Hains, was revealed after a conference between General Hains and the lawyers retained to defend his two sons, Captain Peter C. Hains, Jr., and Thornton Jenkins Hains, now awaiting trial on a charge of murdering Annis on Aug. 15. He is C. A. Curtis of 21 Bank street, Princeton, N. J., and 307 B street, N. E., Washington, D. C. The general made public the following letter written to him by Mr. Curtis on Aug. 18, from Princeton:

"Allow me to offer to you and to your family my deepest sympathy in all your troubles and to offer any assistance in my power. Apropos of this letter, I beg to say that I have heard Mr. Annis making boasts as to his relations with your son's wife on two occasions in clubs in New York and once on a yacht near New York. Kindly keep all I have written from all except your attorneys and family, as I dislike notoriety. If, however, it becomes necessary, I will, of course, testify to all the pertinent facts in your son's favor. I hope, however, that this will not be necessary."

The general also made public the fact that the two colored maids whom Mrs. Hains had had in her employ during her husband's absence in the Philippines would be called as witnesses for the defense.

CAPTURED BY OHIO MEN.

All the Concluding Contests in Annual Army Tournament.

Camp Perry, O., Aug. 28.—Sergeant C. E. Orr of Ohio, who won the national pistol match, captured the honors of the concluding event in the annual tournament of the United States army. These matches were held under the direction of the National Board for the Promotion of Rifle Practice, and under the patronage of the United States government.

The national individual rifle contest was won by Lieutenant A. Dale Rothrock of Ohio; all of the concluding contests thereby being captured by Ohio men.

In the rifle shoot, the special prizes were given to Ensign J. F. Dortch of the navy, for the best score in the skirmish run; Lieutenant M. P. Stiles of Maine, for his score at slow fire, and Sergeant J. O. Stemple of Ohio for his rapid fire work.

In the pistol contest, the honors for slow fire were taken by Captain F. E. Resche of the Third Minnesota; rapid fire by Midshipman Denny of the navy, and the timed fire by Midshipman Lee, also of the navy.

CHADWICK IS BANKRUPT.

Last Official Chapter in Great Swindle Is Recorded.

Cleveland, O., Aug. 28.—The writing of the last official chapter in the records of the monumental swindles of the late Mrs. Cassie L. Chadwick was begun when Dr. Leroy S. Chadwick husband of the late wizard of finance, filed a petition in bankruptcy in the United States district court here. With assets of $75, except for medical books and office fixtures, valued at $1,700, which he claims are exempt, Dr. Chadwick hopes to wipe out obligations aggregating over $600,000.

The action of Dr. Chadwick is considered to be only formal in effect for the purpose of clearing himself from any connection with the various notes his wife gave and which he had endorsed. Although Dr. Chadwick was jointly indicted upon one of the transactions with his wife, he never was brought to trial and the case was nolled. Mrs. Chadwick died in the Ohio penitentiary a few months ago.

Margaret Daly Vokes Dead.

Boston, Aug. 28.—Margaret Daly Vokes, the well known comedienne, died at her summer home in Lynnfield after a long sickness of tuberculosis. She was the wife of Harry Vokes of the Ward & Vokes company, and was one of the famous Daly family, which has long been prominent in theatrical affairs.

The Cure.

There was a suburban lady whose house one summer was quite overrun with moths. A tramp told her that in return for a square meal he would give her an infallible moth cure. She set a square meal before the tramp. He devoured it, then said:

"All ye need to do, ma'am, is to hang yer moth filled clothes and carpets and things on a line and beat 'em with a stick. Goodby to yer moths then."

"Will that kill them?" asked the lady.

"Yes, if ye hit 'em," said the tramp.

PAY-AS-YOU-ENTER CAFE.

Kansas City Restaurant Man Tries New Business Scheme.

It was only a short time ago that the pay-as-you-enter cars were placed in service in Kansas City. Whether that started the idea for the pay-as-you-enter restaurant will not be known, but at any rate an enterprising north end restaurant man in Kansas City has painted the following sign on the wide board which partly barricades the door to his place of business: "Please Pay as You Enter. Big Meal 10 Cents."

The new plan did not need the proprietor's word as to its success. The seven long tables in the room were crowded, and the three waiters were busy.

"It certainly works fine," said the proprietor. "Of course it isn't altogether the novelty, for we always did have a good trade." And he fingered the cash register with pride. "You see, it's this way. A lot of our north end friends used to slip by without paying, though the majority were honest enough. Then the waiters used to 'knock down,' and sometimes the cashier forgot to ring up all the cash."

The system, indeed, looked practicable. Beside the cash register were three rolls of tickets. The green ones were worth 5 cents, the red ones 10 cents and the yellow ones 15 cents. The yellow roll, however, was the largest of the three.

"It's all a ten cent trade," explained the proprietor. "Sometimes a man comes in who has 15 cents, and then we give him a fifteen cent ticket. The tickets are taken up by the waiters and deposited with the cook, so you see the system is a sort of check and balance one."

Just then a man came in and deposited a dime and was handed a red ticket. "Heard about the new plan," he said as he looked at the ticket. "Thought I'd drop in and get a chicken dinner."

BACK AT SAGAMORE HILL.

Roosevelts Return From Trip to Jordanville, N. Y.

Oyster Bay, N. Y., Aug. 28.—President and Mrs. Roosevelt and their party have arrived at Sagamore Hill from Jordanville, N. Y., where the president spoke at the opening of the Jordanville public library, which was given to the people of the village by Douglas Robinson, Harriet D. Wolricke-Whitmore, his sister, and Mrs. Robinson, President Roosevelt's sister, in memory of Robinson's father and mother.

The president's party left South Columbia, near Jordanville, on a special train for Hoboken. At Hoboken, they boarded the president's yacht Sylph. The trip from there to Oyster Bay was rather unpleasant, owing to a light, cold rain, and the members of the party were compelled to remain in the yacht's cabin. Both the president and Mrs. Roosevelt were greatly pleased with their visit to Jordanville.

Immediately after he reached home, the president, with Acting Secretary Foster, disposed of a large amount of work which had accumulated during his absence.

On the Lookout.

"Old Bill Lush of Loretto," said the story teller, "was always on the lookout for special occasions.

"'Yes, sir,' said Bill one night, 'I faithfully promised my wife thirty-seven years ago never to take more than three drinks except on special occasions. Friday was my birthday; Saturday was Memorial day; Sunday my brother-in-law concluded a visit to us; Monday we had fine weather after a long spell; tomorrow my oldest girl's new dress comes home; only today, durn it, I can't think of anything special.'"

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

To Redden the Blood

Rich, red blood.

That is what pale, weak, nervous people need.

Red blood to form new cells and tissues, to invigorate the nerves, to strengthen the heart's action, to give energy and vigor to the organs of the body.

The elements from which nature forms rich, red blood are found in condensed and easily assimilated form in Dr. A. W. Chase's Nerve Pills and because of its wonderful blood-building qualities this great restorative has become world famous.

There is no guess work, no experimenting with this treatment. Every dose is bound to do you a certain amount of good.

MRS. H. HARBOUGH, Mansfield, Ohio, states:—"A child of mine was pale, bloodless, weak and nervous. Dr. A. W. Chase's Nerve Pills acted splendidly, making the nerves strong the blood rich, the color good, and building up the system in every way."

The portrait and signature of A. W. Chase M. D. the famous Receipt Book author, are on every box. 50 cents at all dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

Mr. Bloombumper—My dear, you have an irritating habit of asking "Why?" after every statement I make. Now, won't you try to break yourself of the habit? Mrs. Bloombumper—Why, certainly, my love. I'm sure I didn't know I did. I'll certainly try to break myself of the habit as you suggest. But why?
